

**Himno a Mount View
Anthem of Mount View**

Letra y música: Diana Alvarado Peña.

Mount View School
We are part of a wonderful institution
We are proud to belong
We are here, we are brave,
We are powerful young minds
And our future begins right here.

Our heart are full of love
Our teachers will lead us in our conquest
Our journey begins today
And our teachers will lead us the way.

Mount View School
We are proud to belong
We are here, we are brave,
We are powerful young minds
And our future begins right now.

Our heart are full of love
Our teachers will lead us in our conquest
Our journey begins today
And our teachers will lead us the way.

Mount View School
We are proud to belong
We are here, we are brave,
We are powerful young minds
And our future begins right now.
Mount View School!!!
